

Recommended Art Journal for IB Art

You will need to purchase your own Art Journal:

This is an essential component of the IB Art Program. Your journal should be a blank page sketchbook, hardbound (not spiral), **8.5" X 11"**- you can find books like these for \$10-15 at most art and craft supply stores.

You need the 8.5x11 size so that you can have plenty of space for your writing, art experimentations, as well as any photos or images of other artists' works you want to include in your pages. See examples below. (Spiral bounding is not recommended or encouraged.)

You can try to see if you can buy the books directly from the local Michaels and University Art stores and pick them up curbside or try online shopping.

Online stores:

Based on the pricing: we recommend either Dick Blick or Michaels, but here are some options for you to consider for online shopping.

- 1) Dick Blick (great resource for buying art supplies)—The book you want is the \$8.95 one. <https://www.dickblick.com/products/blick-studio-hardbound-sketchbook/>
- 2) Michaels—theirs is selling for \$6.99 online.
